## ACCESSORIES

### CHOP SAW TABLE

BETTER  
BY  
DESIGN

Shown with CTD  
Chop Saw and  
RazorGage XT-PC  
(Sold Separately)

*Easily attach  
RazorGage  
XT-PC or RG3  
Positioner Systems*

### FEATURES

- ◆ Works with all brands of industrial chop saws
- ◆ Heavy duty, welded construction from 11 gauge steel construction
- ◆ Powder coat finish to fight rust and abrasion
- ◆ Saw platform easily adjust to allow perfectly flat transition from the table to saw
- ◆ Table height adjusts from 34.5" to 44.5"

Provides the sturdy  
construction and  
adjustability required  
for heavy production  
environments
